Immigration System Architecture
A Structured Framework for Entry, Integration, and Citizenship
Version: v1.0 (Canonical)

I. Foundational Purpose

The purpose of this framework is to establish a clear, lawful, and humane immigration system that:

- Protects the sovereignty and stability of the nation
- Upholds the inherent dignity of all persons
- Enables lawful entry and upward mobility
- Requires meaningful integration into civic life
- Maintains public trust through transparency and enforcement

This system rejects both:
- Disorder that undermines social cohesion
- Excessive restriction that denies legitimate opportunity

A functional immigration system must be predictable, enforceable, and oriented toward long-term stability.

II. System Overview

The immigration system operates as a structured progression pipeline, not a single event.

Core Flow:
1. Entry Authorization
2. Temporary Legal Status
3. Conditional Residency
4. Permanent Residency
5. Citizenship

Advancement is based on demonstrated compliance, contribution, and integration, not merely time present.

III. Entry System

3.01 — Entry Categories

A. Economic / Skilled Entry
- Individuals with needed skills, trades, or professional capacity

- Evaluated based on labor market needs and national capacity

B. Family Reunification
- Immediate family members of citizens or permanent residents
- Subject to limits preventing indefinite chain migration

C. Humanitarian Entry
- Refugees and asylum seekers meeting legal criteria
- Subject to capacity and verification processes

D. Temporary Entry
- Students, seasonal workers, and contract labor
- Time-limited with defined conditions

3.02 — Entry Controls

- All entrants must undergo identity verification and security screening
- Entry caps or dynamic limits may be adjusted based on national and local capacity
- No category guarantees admission; eligibility does not equal entitlement

3.03 — Sponsorship Requirement

- Entrants must demonstrate either:
- Self-sufficiency
- A qualified sponsor (individual, employer, or institution)

IV. Legal Status Progression

4.01 — Temporary Status (0–2 Years)

- Work authorization permitted (category-dependent)
- Access to emergency services and legal protections
- Limited access to public benefits

Requirements:
- Registration and address verification
- Enrollment in integration programs
- No serious criminal violations

4.02 — Conditional Residency (2–7 Years)

Requirements:
- Functional English proficiency
- Civic education completion
- Verified employment, education, or trade participation
- Compliance with all laws and tax obligations

4.03 — Permanent Residency

Requirements:
- Sustained economic participation
- Demonstrated civic integration
- Clean or proportionally resolved legal record

4.04 — Citizenship

Requirements:
- Strong English proficiency
- Demonstrated understanding of civic systems
- History of lawful conduct
- Oath of civic loyalty to constitutional order

V. Integration Requirements

The system formally incorporates the American Integration Compact as the national standard.

Core principles include:
- Preservation of personal culture and religion
- Shared public language (English)
- Shared civic rules and legal understanding
- Structured support paired with clear expectations

VI. Enforcement Framework

- Border integrity is required for participation in the system
- Interior enforcement prioritizes violent crime, fraud, and organized activity
- Employers must verify legal work authorization
- Overstay violations trigger graduated enforcement

VII. Illegal Immigration Resolution Pathway

The system rejects both blanket amnesty and indiscriminate mass deportation.

Structured Resolution Program:

Eligibility:
- No violent criminal record
- Demonstrated presence and contribution

Requirements:
- Registration and identity verification
- Payment of back taxes or penalties
- Mandatory participation in integration programs
- Probationary legal status period

Outcome:
- Gradual transition into legal status if requirements are met

Failure results in:
- Removal from eligibility
- Potential enforcement action

VIII. Safeguards and Protections

- No discrimination based on race, religion, or national origin
- Due process protections apply to all individuals
- Accommodations for disability, trauma, or hardship
- No denial of emergency medical care

IX. Metrics and Accountability

The system must publish measurable outcomes, including:

- Employment and economic participation rates
- English proficiency progression
- Civic education completion
- Crime rates relative to baseline
- Welfare dependency duration
- Public trust indicators

Data must be:
- Publicly accessible

- Independently audited
- Reported annually

Failure to meet performance benchmarks requires:
- Policy adjustment
- Administrative review
- Structural correction where necessary

X. System Integrity Principles

- Clarity
- Consistency
- Proportionality
- Subsidiarity
- Accountability

XI. Quotas, Triggers, and Enforcement Controls

XI.01 — Core Principle

Immigration levels shall be:

- Structured, not arbitrary
- Responsive, not fixed
- Bounded by capacity, not ideology

The United States shall remain open to lawful immigration while ensuring that:

- Civic integration remains achievable
- Public trust is preserved
- Economic stability is not undermined
- Local communities are not overburdened

XI.02 — Dynamic National Immigration Range

Annual permanent immigration shall operate within a defined range:

Baseline Range:
- 0.25%–0.50% of total U.S. population annually

Adjustment Factors:

Expansion Conditions:
- Labor shortages in essential or high-skill sectors
- Strong wage growth without displacement
- Adequate housing supply
- Integration systems operating below capacity
- High prior-year integration success rates

Contraction Conditions:
- Housing shortages (low vacancy rates)
- Wage stagnation or suppression in vulnerable sectors
- Overloaded schools, hospitals, or infrastructure
- Integration backlog or failure rates
- Elevated public safety or organized crime concerns

XI.03 — Category-Based Allocation

Family Reunification: 30–35%
Skilled / Professional: 25–30%
Essential Non-Elite Labor: 10–15%
Humanitarian / Refugee: 15–20%
Regional / Civic Restoration: 5–10%
Reserve / Emergency Pool: ~5%

XI.04 — Local Capacity Safeguards

Placement Pause Triggers:

- Rental vacancy below 4%
- School capacity above 110%
- Integration waitlists exceed 90 days
- Local unemployment exceeds national average by 2%

XI.05 — Integration Progression Triggers

- Missed benchmarks → Mandatory remediation
- Failure at 2-year mark → Conditional extension
- Repeated non-compliance → Status review
- Fraud or evasion → Revocation eligibility

XI.06 — Visa Overstay Enforcement

- 30 days prior → Notification
- 15 days after → Grace review
- 30 days after → Civil penalties
- 60 days after → Work authorization suspension
- 90 days after → Removal eligibility

XI.07 — Employer Accountability

- First offense → Fine
- Repeat offense → Escalating fines
- Pattern abuse → License suspension
- Exploitation → Restitution
- Trafficking → Criminal prosecution

XI.08 — Illegal Immigration Resolution Framework

Eligibility:
- No violent crime
- Identity verification
- Demonstrated presence

Requirements:
- Registration
- Fines or back taxes
- Integration participation

Outcome:
- Conditional legal status eligibility

XI.09 — Humanitarian Intake Controls

Expansion:
- Verified crisis
- Available capacity

Contraction:
- Screening breakdown
- Resource strain

XI.10 — Brain Drain Safeguards

Protected sectors:
- Healthcare
- Education
- Infrastructure

Mitigation:
- Bilateral agreements
- Training investment
- Temporary visas

XI.11 — Citizenship Gatekeeping

Requirements:
- 7–10 years lawful progression
- Strong English proficiency
- Civic education completion
- Tax compliance

Disqualifiers:
- Serious criminal activity
- Fraud
- Persistent non-integration

XI.12 — Accountability and Public Reporting

Metrics:
- Admission levels
- Integration success
- Employment outcomes
- Crime rates
- Overstay rates

Failure triggers:
- Policy adjustment
- Administrative review
- Structural reform
